**Reminders and Helpful Resources**

**Reminders for Commercial Application Businesses:**

1. You are receiving your Commercial Pesticide Application Business license.
2. Each of your applicators must obtain an Individual Commercial Pesticide Applicator annual license.
3. Applicators are required to carry their Individual Commercial Applicator's License and Commercial Applicator's Certification Card while making commercial pesticide applications.
4. Remember that you and the licensed individuals making applications for your business must update your physical and mailing addresses with the WI DATCP any time changes occur (Wis. Stat. 94.703 and 94.704).
5. Applicators must recertify in order to continue making pesticide applications for hire if their certification expires, even if they are licensed for the current year.
